- 4. 50 to 100 words abstract that describes what you are going to talk about:**

Good communicators do more than just deliver information – they move people to action. They educate, motivate and persuade. In short, they hook their listeners so that they hear and act on the message delivered. The good news is that communication is a learned skill. With a combination of knowledge, practice and coaching you can develop what many believe to be the valuable skill of all ... "How to get your point across every time."

- 5. Three learning objectives that attendees will leave with; for example, "how to ...", "create ...", "identify ..."**
 - a. Understand what gets in the way of your message.
 - b. Use an easy approach to motivate people to your way of thinking.
 - c. Speak with confidence and clarity so that people will take notice...and action.
